Troop 44 Volunteer Form

We need your help, everyone, Mothers and Fathers, to assist with activities. We expect every family to help with driving. When we don't have enough volunteers, events have to be cancelled and we don't want to do that. Please review the following list of activities, note where you can help and return this list to either Lynn Hartel or Rich Hobson.

A. Assistant Scout Masters (ASM) work with the Scoutmaster, attending meetings and events as their schedules permit. ASMs have an opportunity to develop and promote programs for the troop. We need to recruit two or more new ASMs. Please consider talking to Scoutmaster Wayne Ranbom (466-2112) about joining our program.

B. Troop Committee Members (CM) oversee the troop program and assist the troop by doing much of the administrative work. The Committee is critical to making the troop work. Currently, the Committee meets bi-monthly. Please speak to Troop Committee Chair Rich Hobson (737-2845), we need you.

special events	help organize	drive scouts	stay with troop	other needs
